Nothing to Report at All

I am having a hard time dealing with the fact that I have blanked my last four times out. Is it the pressure of having to produce a fish... maybe so! But the real truth is that everyone that I have fished with these last tries have blanked also. Is the bite slow, I don't know. Heck... AlohaDan caught an ono yesterday at the same place where we fished today.

Nonetheless, we keep on trying and hopefully I will have some fishing videos to show. In the mean time, I will keep reporting on YakHawaii as he participates in the Aquahunters Makahiki kayak fishing tournament. Aloha
